MEDIA INFORMATION

The University of Florida Athletic Department is very pleased to present this preseason publication on the 1992 Gator football team. We hope that it will answer many of your questions throughout the next few months. We sincerely appreciate your tremendous interest in the Florida football program and we will do everything possible to meet your many and diverse needs over the course of the season. This guide will be supplemented with weekly materials throughout the entire season. Please take a moment to review the following media related information which we feel will assist you during the course of the upcoming season.

FLORIDA SID MAILING ADDRESS — Sports Information Office, Univ. of Florida Athletic Dept., P.O. Box 14485, Gainesville, FL 32604-2485. OVERNIGHT SHIPPING ADDRESS — Room 303, Florida Field — West Stadium, North-South Drive, Gainesville, FL 32611.

PRESS BOX

Entrance to Press Box — Enter the Press Box via the Press Elevator that is located midway at the base of the West Stands (press box side of the field). This elevator will go to all levels of the press operation. "Press Will Call" will be located in the press elevator lobby at street level. You will pick up late request credentials and parking passes here as well as photo sideline credentials.

Press Box Levels — There are seven levels in the Florida Field Press Box: 1) President's Deck which houses a lounge for the University President and his guests; 2) Ball Gator Club; 3) Working Press Deck — print media and media seating; 4) Coaches Scouting Booths, Television Networks, Home and Visiting Radio Networks; 5) Photo and Video Deck including coaching films for both teams; 6) Luxury Box Level; 7) Luxury Box Level.

Working Press Deck (Level 3) — This level is reserved for media seating and statistical operations. Fax Service is available. We suggest that you let us know in advance what your needs in this area might be on game day. Several pay phones are available at the back of the press box which are used by dozens of media reps. If you have concerns about meeting tight deadlines, we strongly encourage you to order your own phone (see section on telephones).

Television Networks, Radio Networks, Coaches Booth, Dining Area (Level 4) — This level is reserved for television networks that are doing the game on a live or delayed basis. This level also houses the radio network for Florida and its respective opponent on game day. Each of the coaching staffs has one booth designated for its use. This level also contains the serving and eating areas for media representatives only.

Photo Deck (Level 5) — This deck offers a spacious area for all video cameras that are covering the game. This area also will be used for filming by each of the coaching staffs. Security and Game Operation booths are also located on this level.

SIDELINES

The University of Florida follows NCAA and SEC rules regarding media representatives on the sidelines. Photographers and videographers are not permitted to shoot between the 25 yard lines and they must wear a photo armband at all times. No credentials will be issued to free-lance photographers, cut-line writers, equipment carriers, or radio station representatives except for the two originating networks. A "photo only" zone has been established on the Florida Field sidelines. Only people wearing a game photo armband with photo or video equipment will be permitted in this area. All other media representatives on the field (announcers, reporters, etc.) must stand behind the "photo only" zone. This will ensure that photographers/videographers have the appropriate area to do their work.

CREDENTIALS

Press Box — All members of the media covering the game in a working capacity must seek appropriate credentials **in advance** from Norm Carlson. We would appreciate receiving these requests as early as possible. Requests for **working** space in the press box and photo credentials for the sidelines will be honored from Sports Editors of DAILY Newspapers and Sports Director of Television Stations ONLY. Due to the heavy demand for working space, credentials for radio stations are limited to immediate Gainesville area stations and the two broadcast networks doing the game. Any radio station seeking in game and post-game reports can receive them by calling the SID Office in advance to make proper arrangements with our staff. Request for working credentials must be made in advance **in writing** to Norm Carlson. Spouses, dates, non-workers, and

Twice in the last seven years the University of Florida has received a Press Box Merit Award from the Football Writers Association of America for superior press box facilities and gameday operations.

anyone 16 years of age or younger, are not permitted in the press box. Violators will not be tolerated. Media agencies or bowls that violate this policy will not be issued credentials for future games.

Sideline Credentials — Media representatives with a gameday sideline photo/video credential form must report to the Press/Elevator Lobby prior to the game. When you present the appropriate letter and identification, a sideline photo armband will be issued at that time. Your game credential or letter will not gain admittance to the photo zone on the sidelines. Media reps wearing a photo armband will be the only people that will be permitted to enter the "Photo Only" zone on the field.

PRESS WILL CALL

Late requested game credentials and parking passes that cannot be mailed can be picked up at "Press Will Call" in the Press Box Elevator lobby area. Game stand tickets that have been ordered by the media must also be picked up at the Press Will Call Window.

PARKING

You should request your parking credential at the same time you request your game day working credentials. Parking credentials are limited. If time permits, both of these credentials (press box and parking) will be mailed. If time doesn't permit the parking credential to be mailed, you will have to pick it up at the Press Box elevator lobby area before gaining admittance to the press parking area. Parking will be in the grass lot at the north end of the stadium (corner of University Avenue and North-South Drive).

HOTEL ROOMS

The SID office has a limited number of rooms reserved in the area for the media. We would be glad to assist you with a hotel room if you get in touch with us at least a week before the game. Please contact Harriette Dobbins and she will do everything possible to assist you.

FOOD AND BEVERAGES

A hot pre-game meal will be served on level 4 of the press box beginning 3½ hours before kickoff. Snacks and beverages are available on level 3 throughout the game as well as after the game while you complete your work in the press box. Approximately two hours after the game additional food and beverages will be available on level 2 of the press box (Ball Game level), at the post-game media social.

PRESS BOX AND POST-GAME INFORMATION SERVICES

Play-by-play, complete halftime and final statistics, coaches quote sheet, defensive stats, and post-game notes are all regular services on game day. Upon your arrival, you will receive an extensive press folder with game program, flip-card, updated statistics, biographical sketches, and game-day notes. An internal PA system will provide updated information and notes throughout the game.

POST-GAME INTERVIEWS

Florida's SID staff will escort media representatives to appropriate locker-room areas with 3-5 minutes remaining the game. Florida coach and player interviews will be conducted in the south endzone locker/conference area. Coach Spurrier will conduct a press conference in the media conference room 10 minutes after the contest. His conference can also be heard via an amplified phone hookup in the press box should you be facing tight deadlines. Florida's locker area for player interviews will open 25 minutes after the game. The locker area is open to all reporters. You can arrange post-game player interviews by filling in the appropriate request sheet in your press folder and returning it to a member of the Florida SID staff no later than the ten minute mark of the fourth quarter.

Procedures for coach and player interviews for Florida's opponent will be coordinated by the opponent SID staff. Opponent locker areas are located outside the southeast tunnel area of Florida Field.

FAX SERVICE

Fax service is available in the press box to send information back to your agency at the conclusion of the game. There is a small fee for this service depending on the amount of information you want sent. Hal Beck is the fax service representative that will coordinate this service in the press box on game day. Please contact him on game day to discuss your specific needs.

TELEPHONE INFORMATION

We strongly encourage you to make sure that your phone needs are met before gameday. Telephone orders for lines should be placed directly with Southern Bell (Cindy Fisher, 904-350-4656). Remember, you must place separate orders for your phone line and for the appropriate equipment or you must bring the appropriate equipment with you. The SID office will not be be able to help you with a phone line and/or equipment on the day of the game. You should take care of these matters as soon as possible. A bank of wall phones are available to the media on level three of the press box (print media and statistical operations). The SID office also has a few other phones that it uses for fax services and radio reports. Once again, if you envision tight deadline problems we strongly encourage you to order your own line as the SID phones, fax phones and the wall phones available to the media are in almost constant use for two hours after the game.

Florida-Georgia Game — Telephones are extremely limited for this game at the Gator Bowl in Jacksonville. There is only one wall phone in the entire press box. Two phones are available for fax service and radio reports. You are strongly encouraged to make sure that your individual phone needs are met before you arrive at the game. Please call Southern Bell (Cindy Fisher, 904-350-4656) as soon as possible to order your line. Remember, you also must bring your own phone and/or order a unit. If you don't take care of your phone needs in advance, you will experience problems on gameday in getting your story sent.

COACH SPURRIER INTERVIEWS (GAMEWEEK)

The best time to interview Coach Spurrier on the telephone is 11:00-11:30 on Monday, Wednesday and Thursday. He will normally return calls during these time frames. Please coordinate all requests for phone and personal interviews with Coach Spurrier with Norm Carlson in the SID office. This is important during the season with Coach Spurrier serving as head coach, offensive coordinator and QB coach. His time schedule must be coordinated. On every Sunday prior to a game the upcoming Saturday, Coach Spurrier will conduct a teleconference call at 2:00 p.m. ET with media representatives. Every Tuesday, Coach Spurrier will conduct a press conference at Florida Field. He will do radio and TV interviews from noon until 12:45 at Florida Field and then conduct a joint press conference for all media representatives in the Gator Room from 1:00-1:30. He will also take part in a SEC teleconference each Wednesday morning at a time to be announced. Coach Spurrier will also be available to the media each day after practice.

PLAYER INTERVIEWS (GAMEWEEK)

ALL player interviews must be coordinated with the Sports Information Office. We strongly urge you to conduct your personal interviews on Monday afternoon from 3:00-4:00 and Tuesday (lunchtime and/or after practice). Interviews will take place on the practice field at the conclusion of practice. If it

can possibly be done, short interviews with television stations can be conducted prior to the start of practice. Monday and Tuesday evenings are also reserved for phone interviews with out-of-town media. Please call at least one day in advance for phone interviews. A note will then be left on the player's locker and dorm room asking him to return your call. All player interviews will conclude on Tuesday after practice. The Florida SID office will also conduct a teleconference with 2-3 players each Wednesday at a time to be announced. The Yon Hall Dormitory, team locker rooms and training areas are considered private team areas. These areas are off limits to media representatives unless accompanied by SID office personnel.

PRACTICE

Full practices are open to media, closed to the public. Coach Spurrier will meet with all interested media at the conclusion of each practice. Players are available for interviews after practice on Monday and Tuesday. No advance notice is needed. TV B-roll and still photos are permitted on the practice field Monday and Tuesday from the start of specialty period until the end of the first work period after calisthenics. Photographers will be allowed to film from areas here outside the perimeters of the two practice fields. At that time, all photographers must leave the practice field. There will be no exceptions.

GATOR SPORTSLINE (BROADCAST QUALITY)

The Florida SID office will tape coach and player interviews for your use throughout the week. The general format of the Sportsline will be: Monday — Florida defensive coach interview about the opponent offense; Tuesday — Coach Spurrier's comments from his weekly press luncheon; Wednesday — Offensive coach interview about the opponent defense; Thursday — Player interviews; Friday — Player interviews; Saturday — Coach Spurrier's post-game comments; Sunday — Comments from Coach Spurrier's teleconference. The Sportsline number will be published in the weekly release material you will receive or by calling the SID office.

FLORIDA FOCUS

The University of Florida is one of only two schools in the all-division Association of Graduate Universities, an academic organization of higher education, to have its football team ranked in the top ten in the final 1991 polls AND have its football program honored this past April for posting a graduation rate of 70% or better in the latest College Football Association (CFA) national graduation rate survey.

The University of Florida is one of only two schools in the country that had more than one player selected on the 1991 College Football Association (CFA) Scholar-Athlete Team.

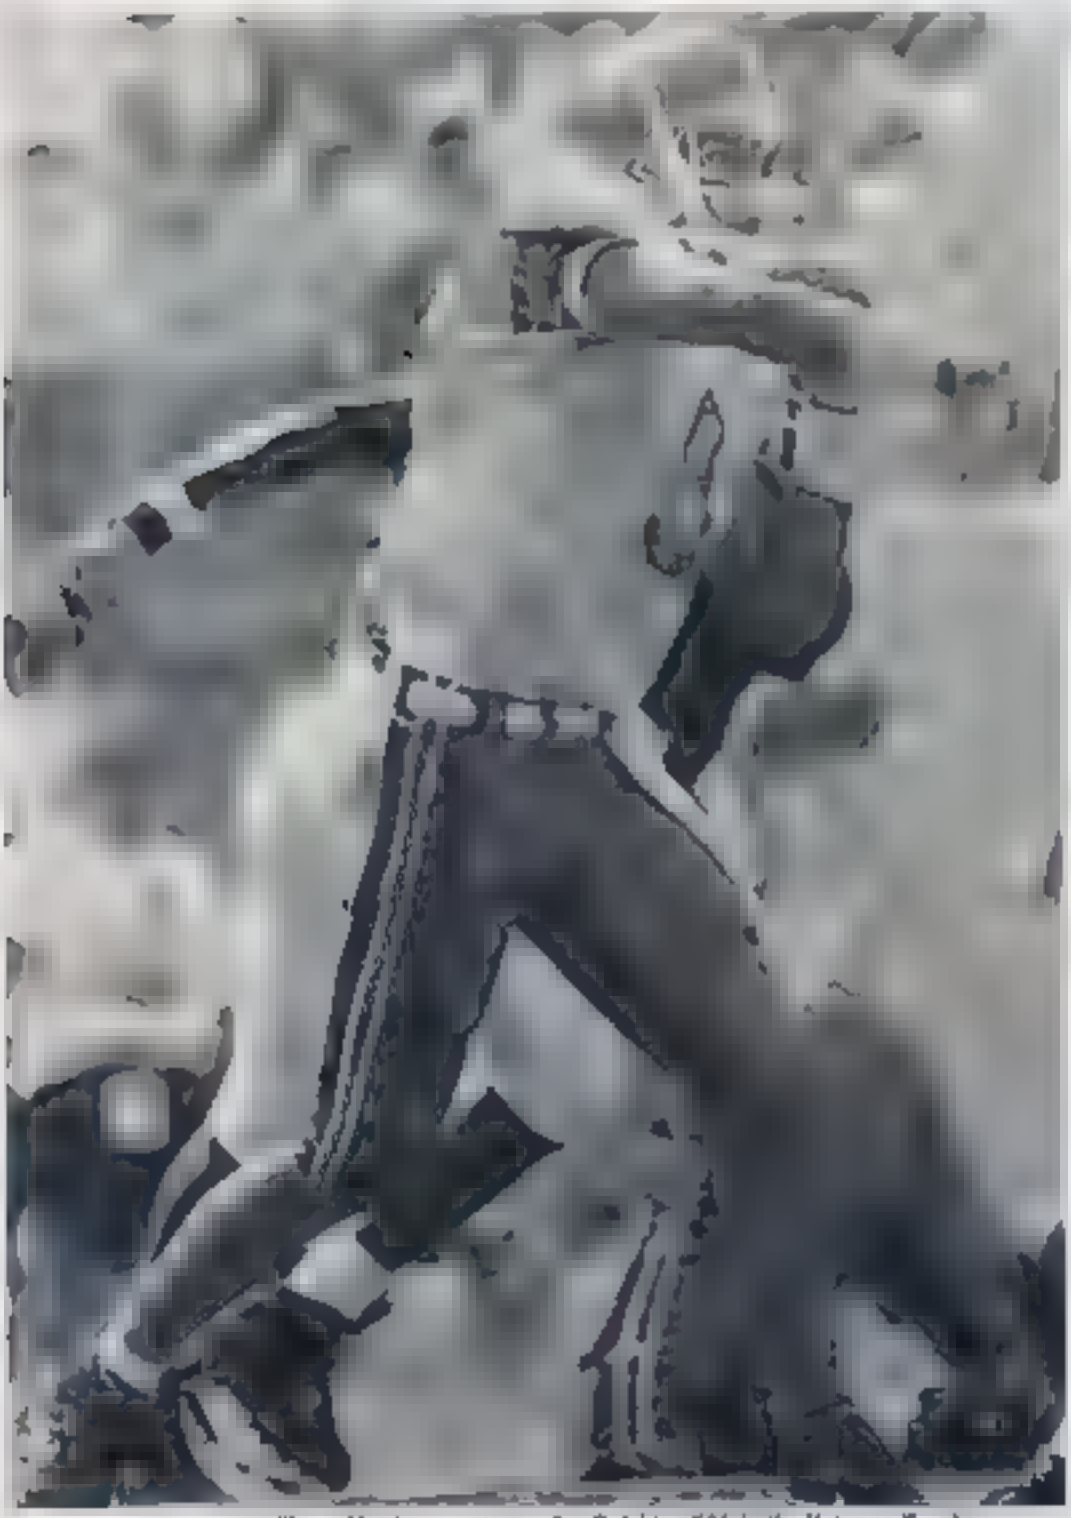

GATORS SEEK TO DEFEND SEC CROWN

FLORIDA HAS COMPILED A COMBINED 13-1 SEC RECORD IN THE PAST TWO SEASONS AND FINISHED ATOP THE CONFERENCE STANDINGS IN 1990 AND 1991.

CAN THEY DO IT AGAIN?

Steve Spurrier, a 3-time SEC Heisman Trophy winner, enters his first season as the head coach in his first head coach at the helm

Shane Matthews returns after finishing fifth in the Heisman Trophy balloting in 1991 and garnering "SEC Player of Year" honors in each of the past two seasons. Matthews, who will graduate in August and be enrolled in Graduate School this fall, already holds 21 Florida and six SEC records. If he is fortunate enough to win the "SEC Player of the Year" award again, he would join Herschel Walker as the only players in league history to receive that prestigious honor three times.

★

"Spurrier and his staff feel that a foundation of expectations and a solid work ethic, combined with their determination to make football fun for the players, have now provided the type of family atmosphere that breeds success. Twelve starters and 48 lettermen return from last year's record-breaking team. They will provide the foundation for Florida's defense of the SEC title."

"The Fun 'N Gun offense once again demonstrated its unique balance and diversity last year as Florida was one of only two schools in the nation to boast a 3,000 yard passer (Shane Matthews) and a 1,000 yard rusher (Errict Rhett). The Gators ran 787 offensive plays under Steve Spurrier last year with a nearly perfect 50-50 split between the run and pass. Florida rushed the ball 397 times on the year while it attempted 390 passes. Junior guard Jim Watson is the only returning starter on the offensive line. Last year's unit began the season with 66 combined starts among the five starters. This year's unit begins the new campaign with 42 combined starts among the starters.

Errict Rhett rushed for 1,000 yards in each of his three seasons at Florida. He ranks fifth on the all-time UF career rushing list with 3,127 yards. A two-time first-team All-SEC selection, Rhett became the first back in Gator history to rush for over 1,000 yards AND catch at least 40 passes in a season.

"Florida was hit hard in this area by graduation. The graduating foursome of center Cal Dixon, guard Heshaun Jones and tackles Mark White and Tony Rowell combined for 114 career starts. Their experience and performance level played a big role in Florida's emergence as one of the nation's premier offensive units the past two years. In short, Florida goes from having one of the nation's most experience offensive lines to one of the most inexperienced."

Sophomore Aubrey Hill (5-11, 180) and junior Monty Duncan (6-0, 208) also return. Hill had 10 catches for 236 yards (23.6 avg., with three TDs last fall). His 23.6 average per reception led the squad. Duncan played a combination wide receiver and tight-end role last year due to the number of injury problems that Florida had at the tight-end spot. He had 9 catches for 124 yards last year.

The returning wide-receiver corps will be further bolstered this fall with the addition of two talented freshmen: Jack Jackson (5-9, 175) Sonny Palmer (5-10, 167) and Edward Vega (5-9, 185). Their addition will add further depth to what appears to be an outstanding overall unit.

Tight-end is one of the most competitive positions on the squad even with the loss of Terry Jackson a second-round selection in '91 who was forced to give up football as a result of a disc injury he suffered vs. Auburn which sidelined him for the last few weeks of the season. We have confidence in the new offensive linemen, still again they haven't played much so it is still a bit of a wait and see situation. It's an area where we should get better as we gain game experience."

FLORIDA FOCUS

The University of Florida is the only school in the 88 member Association of American Universities, the most prestigious organization in higher education, to have its overall combined men's and women's athletic program ranked among the nation's ten most successful in a 1991 survey by USA Today AND have its football team ranked in the top ten in the final 1991 polls.

The University of Florida was the only school in the nation to have both its men's athletic program (first best) and women's program (6th best) ranked among the country's six best for the 1990-91 athletic year in a survey by USA Today in June of 1991.

HEAD COACH STEVE SPURRIER

Spurrier's 19-1 record vs. SEC opponents the past two years is the best ever posted by a conference head coach in his first two years at the helm. His 7-0 SEC record last year represented the first perfect conference mark in school history as well as UF's first official SEC title

Spurrier has been named his conference's "Coach of the Year" in each of the last four seasons ("ACC Coach of the Year" at Duke in 1986 and 1989 and "SEC Coach of the Year" at Florida in 1990 and 1994). In addition, Spurrier is the only coach in the country who has been selected one of four finalists for the "Paul 'Bear' Bryant National Coach of the Year" award in each of the past two seasons.

In high school he was all-state in football, basketball and baseball and prep All-American in football in 1962. His baseball team won two straight state titles and in three seasons of pitching he never lost a game.

After a difficult recruiting battle, head coach Ray Graves signed Spurrier to a Gator football scholarship, beating out Bear Bryant of Alabama and Johnny Vaught of Ole Miss. Why Florida?

"I chose Florida because of the passing, the weather, Coach Graves and the school," he says. "I fell in love with the state and decided that's where I would like to spend my time, and I also did not want to go to school where you didn't want to spend your lifetime."

The rest was history. He completed the first pass of his career, a 56-yarder to Jack Harper against LSU, in 1964, and guided the Gators to two major bowls in three seasons. Eight come-from-behind wins in the final quarter and a glorious period still remembered with fondness by Florida people.

The games at best recalled came against FSU in 1965 and Auburn in 1966 – the game which put him over the top in the Heisman Trophy race against Purdue's Leo Carlese.

The Gators had already been selected to play in the Sugar Bowl in 1965 when they faced FSU, and found themselves trailing 17-16 with 2:02 remaining and at their 29-yard line.

In six plays Spurrier drove Florida to a TD to take a 23-17 lead. A desperation Seminole pass resulted in a TD interception on return to make the final margin 30-

The Gators went on to the Sugar Bowl where Spurrier set six passing and total offense records and became the only player from the losing team ever to be voted the game's MVP.

The Auburn game in 1966 was the ultimate in Spurrier's knack of being in the right place at the right time under pressure. The Heisman Trophy ballots had gone out the previous week and were due back in the week following. A record Florida Field press corps was in attendance.

Despite one of the greatest performances of his career, 27 of 40 passing for 259 yards and nine TD, five punts for an average of 46.9 yards per kick, the Gators still remained tied with Auburn at 27 with just over two minutes remaining and fourth and long. Wayne Bartel did what Florida's regular place-kicker, but his range was short.

Spurrier took the responsibility for hitting the longer 48 yard effort although he had not kicked a field goal since the opener. But season records? Spurrier's shot... he kicked it through for a dramatic 30-27 victory.

Joe Durso of the New York Times called Spurrier a "Republic Frank Merriwell." John Logue of the Atlanta Journal wrote Spurrier with his hands tied behind his back and facing a firing squad would be favored to escape.

He was the first round draft choice of the San Francisco 49ers in 1967 and played 12 years in the NFL, nine with the 49ers and one with the Tampa Bay Buccaneers.

Steve and Jerri Spurrier met while Jerri was a student and were married just before he began season at Florida. They have four children – daughters Mrs. Linda King and Amy, and sons Steve Jr., a junior at Duke, and Scotty.

A MAN OF TREMENDOUS ACHIEVEMENT

Florida's 19-4 overall record under Spurrier the past two years represents the second best winning percentage (.826%), in the nation over the course of the combined 1990 and 1991 seasons.

Eleven players also earned some type of All-America honors, the most in a season in school history. 1994 was also one of the most successful seasons. UF had 12 players selected to the SEC Academic Honor Roll, the largest seasonal total in school history, and along with Nebraska it was the only school in the nation to have two players (Brad Culpepper and [illegible]) selected to the CBA Scholar Athlete Team. Culpepper became the most honored football player in school history in the nation for the 1994 season.

1993 Highlights: Spurrier is named SEC Coach of the Year after leading Florida to a 9-2 record and the best record in the SEC with a 6-1 ledger in his first year at the helm. Also named one of four finalists for the Football Writers Association of America Coach of the Year award, Spurrier led the Gators to a 5-1 record in the SEC, the most in a single season in school history. Squad's nine wins marked just the fourth time in school history that UF won nine games in the regular season. Spurrier's first Gator offensive squad set [illegible] single-season school records, including most points (387), most passing yards (3,795), most TDs (49), most passing TDs (35) and most 300-yard passing games (5). Squad also set two single-game UF records and one SEC seasonal record, most first downs with 27, while registering the second most productive offense in league history with 4,978 yards. Florida ranked 10th in the nation in total offense and ninth in passing offense with an average of 290.6 yards per game, a figure that ranked second best in the history of Florida's ability in the SEC. Squad's nine wins marked just the fourth time in school history that UF won nine games in the regular season. Spurrier's first Gator offensive squad set [illegible] single-season school records, including most points (387), most passing yards (3,795), most TDs (49), most passing TDs (35) and most 300-yard passing games (5). Squad also set two single-game UF records and one SEC seasonal record, most first downs with 27, while registering the second most productive offense in league history with 4,978 yards. Florida ranked 10th in the nation in total offense and ninth in passing offense with an average of 290.6 yards per game, a figure that ranked second best in the history over 600 yards. QB Shane Matthews in his first year as a starter was named "SEC Player of the Year" after establishing 14 single-season UF records including three passing yards with 2,952, a figure that is so ranked as the second best in the history of the SEC. He set a conference record for best completion percentage (minimum 200 completions) with a [illegible] figure. TE Kirk Kirkpatrick led the SEC with 55 catches, a figure that set a UF single-season mark for a [illegible] SEC or UF receptions with 10. Florida scored more points against Auburn (48) and Georgia (48) than any Gator team in history against those two long-time rivals. Over the last five games of the season, traditionally the strongest part of UF's schedule, the Gators averaged 44.4 points per game and 408.2 yards a game. Five of the nine players earn first-team All-SEC honors, the most in a single season in school history. Defensively, Florida ranked fifth in the rushing defense. The Gators set a new school record for rushing defense, yielding an average of just 93.5 yards per game. 1993 marked the third straight year that UF ranked among the nation's top 10 teams in total defense.

Spurrier led Duke to an 8-3 record in 1989 and an ACC title. The school's first post-WWII team, Spurrier's Duke team became the first squad in ACC history to average over 500 yards a game in total offense. His three Duke teams averaged 329.2 passing yards per game, including an [illegible] mark in 1988.

Columnist – Gainesville Sun

"Playing for a guy like Steve Spurrier he knew so much about the defenses we played against and how to attack them. It was almost like a philosophy you kind of pick up on. If you can take that heading into a pro career, it really helps you. You develop rapport and you have a better chance to play when you're younger.

You get a chance to understand defenses, defensive fronts, the secondary rotations. If you can do that on the college level, it becomes second nature."

Anthony Dilweg
Duke QB and 1988 ACC Player of the Year
QB with Green Bay Packers in '89

Steve Spurrier is a bright and creative coach who has the ability to inspire his players and communicate his concepts to them in terms they understand. He is one of the finest coaches in the country at any level of competition and his teams generate excitement."

"I have tremendous respect for Coach Spurrier's knowledge of the game and the application of his offense during a game. He's an upfield coach. By that, I mean the defense is permitting. Playing in Coach Spurrier's offense prepared me for the pro passing game. He uses the same type of route tree, the same numbering system and a lot of the same terminology as the typical pro passing attack."

Cedric Jones
Duke University All-American Wide Receiver with the New England Patriots for several years

He really cares about his players and has a knack for bringing out the best in each member of the team. It is a real delight and privilege to play under him."

QB Shane Matthews
1990 and 1991 SEC Player of the Year

"It was a great experience and privilege to play under Coach Spurrier. The excitement he brought to the football program was exactly what the University of Florida needed. He is an offensive genius and an exceptional head coach. Anyone can see that he is in the process of building one of this nation's truly great programs."

Center Cal Dixon
1991 All-American

"I really admire Coach Spurrier's ability to motivate the team the way he does. He is also the type of coach that you can easily talk to. He looks out for his players, and he allows you to have fun within the rules."

★

"I dislike negative people. I, and my entire staff, look for and emphasize the positive. That's our approach to building pride, togetherness, dedication and a family atmosphere."

★ On [illegible] as much as possible as a team. I hate to see a player get hurt in practice. I believe that we can get a team for a game without risking injuries and that happens sometimes. When the offense and defense get out there in practice and try to kill each other, it's natural for the offense to hate the defense and vice versa. I made an agreement with myself that as long as I was a head coach, I'd try to work so the players would like each other but try to kill each other.

★ "Teams that believe something good is going to happen for them [illegible] and keep at it hard, find good things do happen.

★ "I dislike negative people, and my entire staff look for and emphasize the positive. That's our approach to building pride, togetherness, dedication and a family atmosphere.

GATOR OFFENSIVE SYSTEM

BALANCE AND DIVERSITY IS GOAL OF "FUN 'N GUN"

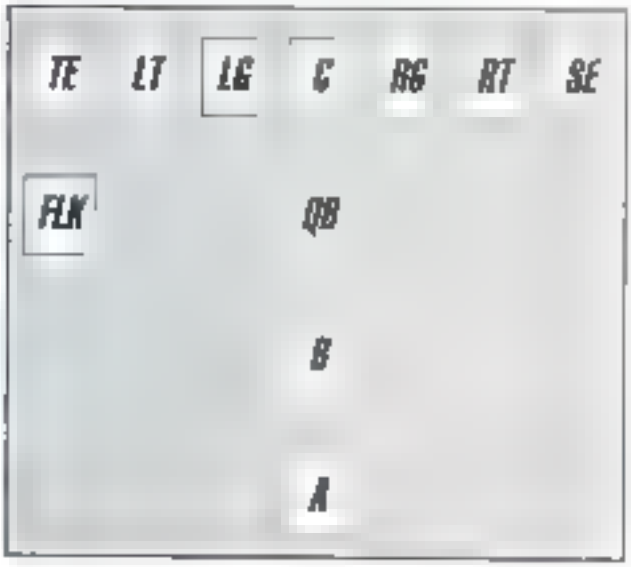

"Our offensive philosophy at Florida is actually very simple. We want to [illegible] whatever it takes to win the game. If throwing the ball 50 times, or running it 50 times, gives us the best chance to win, this is what we will do.

We believe you must be able to throw to win, especially [illegible] and the threat of the pass to open the running game. We want to control the ball by running and making first downs or keeping drives alive to help us win the game. Generally we pass to set up the run, but being able to run effectively is the key to our offense.

Our 1988 team which won the Atlantic Coast Conference championship had a 1,000-yard rusher [illegible] who caught passes for [illegible] 3,100 yards of passing and a wide receiver who caught passes for [illegible] touchdowns. Our Florida team in 1991 was the only squad in the nation to throw for over 3,000 yards, have three receivers who caught at least 35 passes and two backs who each rushed for at least 600 yards. In 1991 Florida was the only team in the nation to have a 1,000-yard passer and a 1,000-yard rusher. Also in 1991, we had the SEC's leading passer, leading rusher and two wide receivers who were second and third in the league in receiving. That is the type of unique balance we are seeking.

I think the one reason most players enjoy this offense is that everyone is involved in it. It is not designed to highlight one running back or one wide receiver. We spread it out to include everyone and we recognize the importance of the offensive linemen in helping it work.

Florida has gained a reputation for passing the ball but its rushing attack deserves special recognition as well. Errict Rhett (left) led the Southeastern Conference in rushing in the 1991 season with 1,109 yards. He was the first back in school history to rush for over 1,000 yards and catch 40 passes in a season. In 1990, UF was the only school in the SEC to have two players rank among the league's top eight rushers.

- The combined men's and women's athletic program at the University of Florida has ranked as one of the nation's top four in each of the past nine years according to a yearly survey and ranking

- The University of Florida became the first school in SEC history to capture both the men's and women's all-sport trophies in the same year when it accomplished that unique double victory for its combined performance during the 1991-92 academic year.

- During the recently completed 1991-92 academic year, the University of Florida athletic teams completed their respective seasons ranked among the nation's top ten teams, including five squads which finished the year among the nation's top three teams. Overall, 12 of UF's 16 total athletic teams completed their respective year ranked in the nation's top twelve.

- Eight Florida athletic teams (baseball, volleyball, men's swimming, women's swimming, women's indoor track, women's tennis, men's golf, women's outdoor track) captured Southeastern Conference titles during the 1991-92 year, the most league titles for a school in a single season in SEC history. Since 1988 alone, the University of Florida has captured a combined total of 48 SEC titles, the top total for a conference school over that time span.

- The University Athletic Association, Inc. contributed $8.3 million in 1991 to the University to help fund library services, summer school and an AIDS institute.

Matthews' title in the 1981 Heisman Trophy balloting, in fact the fifth-closest vote in the award's history, is just the latest in a series of achievements that have made him one of the most respected players in the game today.

★

"Shane has the ability to make decisions at the line of scrimmage which give him the chance to be successful because he also has the athletic skill to carry them out. He gets us out of bad plays against the defense he recognizes, and a lot of talented quarterbacks can't do that and he doesn't make dumb mistakes, and he seldom puts the ball up for grabs by throwing to the wrong spot on the field. This offense demands a lot of Shane, but he responds to the pressure and work often work he makes it work. He often makes the play to win for us and seldom makes the play that could beat you."

THE SOUTHEASTERN CONFERENCE

A TRADITION OF EXCELLENCE CARRIES INTO THE '90s

Roy Kramer

Intercollegiate athletics opened the 1890s laced with controversial decisions. Throughout its 58-year history

seen at the forefront of the national scene and again provided leadership in this time of transition.

After starting with 10 members since 1966, the SEC welcomed the University of Arkansas on August 990 and the University of South Carolina on September 25, 1990. Joining Alabama, Auburn, Florida, Georgia, Kentucky, LSU, Mississippi, Mississippi State, Tennessee and Vanderbilt, Arkansas and South Carolina, the first schools added in

the 6 and 7th members of the SEC on July 1, 1991. Both began competition in football this season.

SEC schools began athletic competition with one another almost 100 years ago as members of the Southeastern Intercollegiate Athletic Asso-

the SIAA organizational meeting of faculty representatives, called by Dr. William A. Dudley of Vanderbilt in Atlanta, on December '2 94.

Student teams from the schools began meeting in various sports with little pattern to their contests. Baseball was the most popular campus sport, but the American adaptation to the English game rugby called "football" was drifting down from the East and Midwest. Southerners were quickly attracted to this sport formalized in 869.

The first football game in the Southeast was played April 9, 1880 on the ground now called Old Stoll Field at the University of Kentucky. Kentucky, then known as Kentucky A&M (now UK), organized a team and in November 886 played Transylvania, a three-game series (winning 1/2 to 1, then losing to 2 and 2 1/2 to 3 3.4). By 895, nine schools now SEC members were playing football.

Basketball moved quickly to the South as Vanderbilt University was playing at the Nashville YMCA in 1893, just two years after Dr. James Naismith originated the game at Springfield (Mass.) College. The Commodores won 9-6 in a game with nine players on each team. Basketball became an intercollegiate sport in 90 , and in 1904 Vanderbilt was meeting Columbia and Yale intersectionally.

level of the 1895 SIAA meeting presided over by president Dudley who served until his death in 19 . The first annual championship meet was held at Vanderbilt on May 5 896. By the turn of century, eight of the 13 charter SEC members were

The seven-member SIAA expanded to 9 institutions in 1895 and by 920 there were 30 members. The larger schools reorganized as the Southern Conference at a meeting in Gainesville, Fla., Dec. 12-13, 920. Professor S.V. Sanford of Georgia called the meeting and served as the

Despite an original limit of 16, the membership grew to 23 by 1928. At one time or another the SIAA and the SC included most of the Southern colleges from Virginia to Texas.

The 13 members west and south of the Appalachian Mountains organized as the Southeastern Conference at the annual SC meeting of Dec. 8-9, 1932, in Knoxville, Tenn. The 10 coast members remained in the Southern Conference. Dr. Frank L. McVey of Kentucky was elected president of the new conference.

Alabama, Auburn, Florida, Georgia, Georgia Tech, Kentucky, Louisiana State, Mississippi, Mississippi State, Sewanee, Tennessee, Tulane and Vanderbilt. (Sewanee withdrew Dec. 3, 1940, while Georgia Tech and Tulane followed on June 1, 1964 and June 1, 1966 respectively.) McVey held an informal meeting of the school presidents Feb. 6, 1933, in Birmingham, Ala., then the first full meeting in Atlanta, Ga., Feb. 27.

The new SEC discovered both stature and stability by delegating voting power to the presidents of the member institutions. They determined the policies of the league and through the years it has been the principal source of strength in the evolution of the league, with particular reference to eligibility regulations and academics.

The first SEC championships were crowned in 1933 in four sports (baseball, basketball, football and outdoor track). The league's signature championship event was a basketball tournament held Feb. 24-25, 1933, in Atlanta, Ga. Records show the first men's team title for cross country was awarded in 1935, while golf and swimming were added in 1937. The league later began hosting championships in tennis, 1953, and indoor track, 1957.

In 1973-74, the SEC first awarded the Bernie Moore Trophy, symbolic of the league's premier men's athletic program. Points are awarded based on the finishes in various conference finish in all sports.

In the 978-98 academic year, SEC championships for women were recognized in basketball, tennis and volleyball. The following year golf, gymnastics, swimming and track and field were added. The administration of women's athletics officially came under the auspices of the conference office on Sept. 1, 984. A women's all-sport champion has been awarded every year since 1983-84.

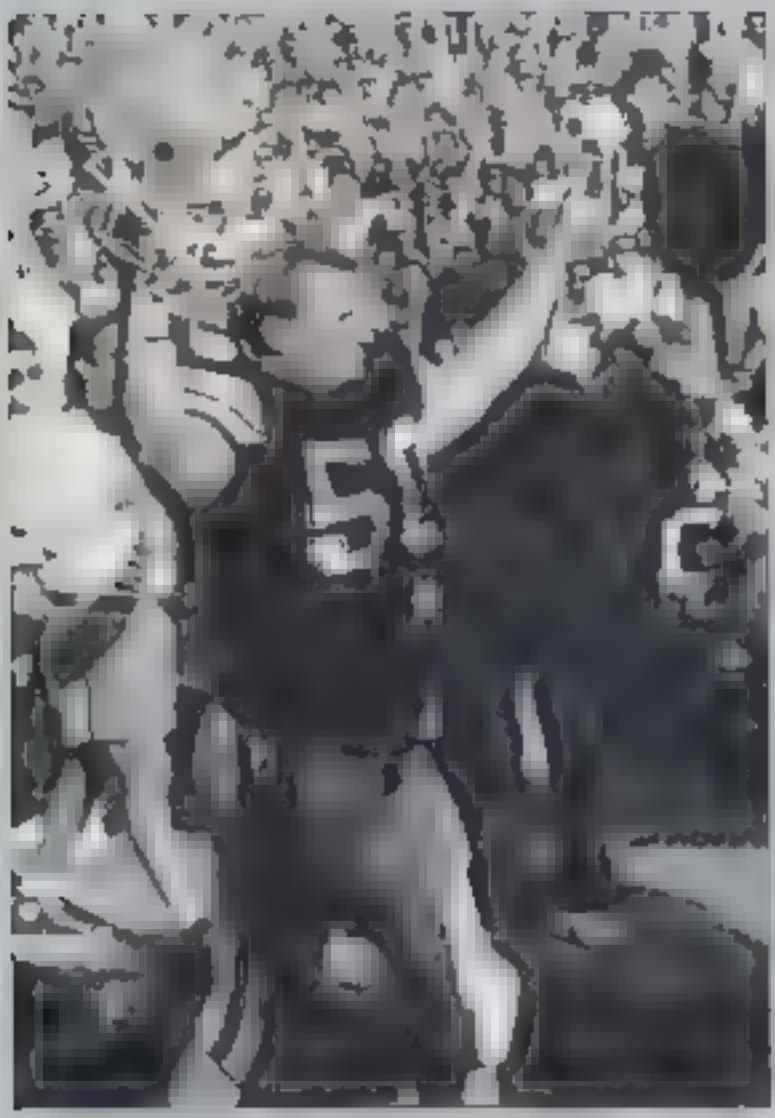

When the SEC entered its seventh decade of competition in 99 , the conference regulated nine sports for both its men's and women's programs as follows:

Men – basketball, basketball, football, golf, swimming, tennis and track (cross country, indoor and outdoor).

Women – basketball, golf, gymnastics, swimming, tennis, track (cross country, indoor and outdoor) and volleyball.

SEC commissioners have included Martin S. Conner (940-46), Bernie H. Moore (,946-46), A.M. "Tom" Coleman (,956-72), Dr. H. Boyd McWhorter (1972-86), Dr. Harvey W. Schiller (1986-89) and current commissioner Roy F. Kramer.

FLORIDA FOCUS

The University of Florida is the first school in the history of the NFL draft to have at least one player selected in the opening round of the draft for nine consecutive years. At least one Gator player was selected in the first round of the draft each year from 1983-91. During that nine-year time period (1983-91) Florida also had all schools in the nation with 13 total first-round draft selections.

The University of Florida had nine players selected in the 1991 NFL Draft, the second top total for a school in the nation.

THE GATOR OFFENSE

★ [illegible]

Shane Matthews engineered a Gator offense that set SEC records for most TD passes (32) and yards passing per game (308.5). Matthews, who finished fifth in the Heisman Trophy balloting, threw for a SEC record 28 touchdowns and his 3,130 yards ranked as the second best total in league history.

second in the SEC and ninth nationally.

★ Florida averaged 308.5 yards per game passing, a figure that ranked first in the SEC and fourth nationally.

★ Here is how the '91 offense ranked in seven school season categories:

- TD passes (32) - first
- Passing yards per game (308.5) - first
- Total yards per game (457.6) - first
- Yards per play (6.4) - second; (6.9 '92)
- Points per game (32.8) - third (35.2 '96)
- First downs per game (23.5) - second; (24.7 '96)

★ Here is how the 1991 Florida offense stood in the SEC record book:

- 32 TD passes was best in league history.
- 308.5 yards per game passing ranked first in league history.
- 3,393 total passing yards ranked first in SEC history.

★ Florida played six teams during the 1991 season that received bowl bids – to conclude their 1991 season: Alabama (Blockbuster), Syracuse (Hall of Fame), Tennessee (Fiesta), Mississippi State (Liberty), Georgia (Independence) and FSU (Cotton) – all appeared in 1991 post-season games.

BANNER YEAR IN THE CLASSROOM ALSO

The 1991 Florida football season will long be remembered as one of, if not the most, memorable in school history. The football achievements of the team, highlighted by the school's first outright SEC title, were well chronicled. However, this squad also racked up some pretty impressive achievements in the classroom.

★ Florida had 12 players named to the 1991 SEC Football Academic Honor Roll, the largest seasonal total in school history.

★ Defensive tackle Brad Culpepper and center Cal Dixon were named to the CFA (College Football Association) Scholar Athlete Team. Florida and Nebraska were the only schools in the nation to have more than one representative on the CFA scholar-athlete team.

★ Brad Culpepper was arguably the most honored football scholar-athlete in the nation in 1991. In addition to his CFA Scholar Athlete Team selection, he was named to the SEC Academic Honor Roll for the fourth consecutive year, an achievement that only two other football players have earned in school history. He was named to the GTE Academic All-America team and he was also selected one of the 15 recipients of the prestigious National Football Foundation and Hall of Fame Scholar-Athlete Award. Of this group of 15, he was selected the recipient of the Draddy Trophy which is presented annually to the nation's premier scholar-athlete. Brad also received the Toyota ESPN National Student-Athlete Leadership Award for excellence on the field, in the classroom and community.

Eleven Florida players, all pictured here, were named first-team All-SEC in 1991. Florida's eleven first-team All-SEC selections in 1991 set a new school record for most first-team all-conference honorees in a single season. The previous record for most first-team All-SEC choices in a season was nine (1990).

Dustin Raymond not only ranks as one of the most accurate FG kickers but also among the most accurate in collegiate history. His 92.4 career success rate (72-33) for field goals under 30 yards is the best in NCAA history for a minimum of 30 career attempts.

SCORING

David Fuser's 309 career points ranks second on the school chart and first among place-kickers.

Tommie Burnette holds school marks for the most points (190) and TDs (32) in a season. Both records were established in 1969.

THE HISTORY OF GATOR FOOTBALL

A PROUD PAST, AN EVEN BRIGHTER FUTURE

Head coach Steve Spurrier represents Florida's proud past and its even brighter future. Spurrier, a recipient of the 1966 Heisman Trophy as a Gator quarterback, has led Florida to its greatest team achievements ever, taking over the coaching reins in the 1990 season, including an SEC title, an appearance in the Sugar Bowl and a 10-2 record last season. He is one of 14 UF All-America players, including 37 who have earned first-team All-America distinction.

The 1984 Gator squad posted an overall 9-1-1 record and was ranked third in the final AP ranking. The Sporting News and the New York Times declared the squad national champions. Florida's 5-0-1 mark in SEC play marked the first time in school history that a Gator squad finished with the best record in SEC play

The 1985 UF squad posted a 9-1-1 record and was ranked fifth in the final AP poll. Its 5-1-0 mark in SEC play tied for first in the league standings. After its 14-10 win at Auburn it became the first squad in school history to be ranked number one in the nation in a wire service poll

Charlie LaPradd, John Sparrow and Vel S[illegible]kman and a reputation for hard-nosed defense.

Ray Graves came out of the decade of the 1970's as the winningest Florida coach of record. He was 70-31-4 with five bowl teams, four of which won. His teams was the second Gator edition ever to defeat Auburn at Auburn and went on to suit year to beat Georgia, FSU and Miami in the same month, a rare feat for Florida.

Dickey's top players included All-Americans Jack Youngblood, defensive

Florida has appeared in 19 bowl games, seen over 80 of its players earn All-America recognition including 37 who have earned first-team All-America honors, had a player receive the Heisman Trophy, and seen 22 of its players selected in the first-round of the NFL Draft

only losing bowl teams lost by two points to Missouri in the 1966 Sugar Bowl, 20-18.

That decade also produced Heisman Trophy winner Steve Spurrier, a record-setting passer, as was quarterback John Reaves in 1968, who smashed five national marks.

[illegible] teams of Doug Dickey from 1970-78 went to four bowls. His 1973 end; Wes Chandler, wide receivers Sammy Green and Ralph Ortega, linebackers, and SEC rushing king Jimmy Dubose.

Charley Pell's rebuilding job began in 1979 and his last four Florida teams went to bowls, averaging eight wins a season against one of the nation's most demanding schedules. Pell's 1983 team secured the school's then highest final [illegible] Marshall, a linebacker was named National Defensive Player of the Year.

The top players of the Pell era (1979-84) were WR Cris Collinsworth, LB David Little, DT David Galloway, LB Wilber Marshall and CB Lomas Brown. All were first-team All-American select[illegible]

after the first three games of the '84 season. He proceeded to win the next eight games. When the squad defeated Kentucky, 25-17, to clinch the school's first-ever first place finish in the SEC [illegible] in Lexington. The squad closed out its banner year with a 27-17 win at Florida [illegible] regular season wire rankings, Florida [illegible] regular season rankings in school history. The [illegible] champion by the N.Y. Times and the Sporting News.

The 1990 team posted a 9-2 overall record and its 5-1 start was the best in school history. It finished with the best record in the SEC. Its 6-1 record, the first time in school history that a Gator team posted six conference wins in a season. It became the first F team since 1959 to beat both Alabama and Auburn in the same year and it posted the then-largest victory margin over Auburn and Georgia in school history.

The 1991 team was the first in school history to win ten games in a season and the first to win an outright SEC title, compiling a perfect 7-0 conference record. The squad posted a 10-2 overall record, played Notre Dame in the Sugar Bowl and finished the year ranked seventh in the nation. It was the first team in school history to defeat Auburn, Georgia, Florida State and Tennessee in the same season.

Defensive end Jack Youngblood will become the latest former Gator player to reach to be inducted into the National Football Foundation and College Hall of Fame when he receives that honor in New York City in December.

OVERCOMING THE ODDS

UF WALK-ON PROGRAM PROVIDES AN OPPORTUNITY TO COMPETE AND A CHANCE TO FULFILL A DREAM

For years the University of Florida football program has encouraged and fostered a walk-on program that gives many young men every year the opportunity to live their dream of playing major college football.

The walk-ons have contributed greatly to the success of the Gator

members of the 1991 Southeastern Conference championship team were walk-ons. The walk-ons are treated in the same first-class manner with total respect as the rest of the squad.

Many former walk-ons have eventually earned scholarships, started starting positions, gained All-SEC and All-America honors, and even eventually played pro football. None of these players would have lived their dream and reached their potential if the University of Florida hadn't extended the opportunity they were seeking. Their eventual success has become a cherished part of the Gator football tradition and heritage.

QB Kerwin Bell was told by major college coaches that he didn't have the skills to compete at that level. He felt that he was wrong and decided to choose to prove it. He decided to walk-on at Florida in 1983. A year later in 1984 as a non-scholarship player he became a starter and was named "SEC Player of the Year." By the time he completed his career in 1987 he was the SEC's all-time leading passer with over 7,500 yards. He is one of nine former UF walk-ons who have gone on to play pro football.

FLORIDA'S FIRST UNIVERSITY RANKS AMONG THE NATION'S ELITE INSTITUTIONS OF HIGHER EDUCATION

Florida, along with Ohio State and Minnesota, offers major professional programs on a single campus that rank at the nation's top universities.

In 1985, the University of Florida was admitted to the Association of American Universities (AAU), the most prestigious higher education organization in the nation. Comprised of the top 56 public and private universities in North America prominent in graduate and professional teaching and research, the AAU invites only the best in higher education into its membership. With its admittance, UF joined its sister institutions of the South – Duke, North Carolina, Rice, Texas, Tulane, Virginia and Vanderbilt – as the outstanding universities in the region.

The following chart considers Southeastern Conference Schools, Florida State, Miami and Georgia Tech.

ASSOCIATION OF AMERICAN UNIVERSITIES MEMBERS

The AAU is the most prestigious organization in higher education. Universities are admitted only if they are preeminent in graduate and professional education and research.

The University of Florida—the largest, oldest and most prestigious university in the sunshine state—is among the nation's 20 largest higher education institutions.

The University of Florida is also ranked among the nation's 31 leading research universities by the Carnegie Commission on Higher Education.

SETTING AND ENVIRONMENT

The University of Florida, with more than 800 buildings, is located on 2,000 acres in Gainesville, a city of more than 85,000. Situated in North Central Florida mid-way between the Atlantic Ocean and the Gulf of Mexico, the city is known as an educational, agricultural and small industrial center.

In addition to its moderate climate and other amenities which provide a superb quality of life, Gainesville offers other advantages to students of the university. Swimming and boating accommodations are available at nearby springs and rivers, and lakes in the vicinity abound in fresh water fish.

PRESIDENT LOMBARDI

[illegible] historian and author Dr. John Lombardi became the ninth president of the University of Florida in March of 1990.

Born in Los Angeles in 1942, Lombardi comes from an educational family. His mother worked as a college [illegible] and his father was a pioneer in the California community college movement. He was president of Los Angeles City College. Lombardi earned his undergraduate degree from Pomona College and his master's and doctoral degrees from Columbia University. He also attended Universidad Nacional Autonoma de Mexico and the University of California at Los Angeles.

Lombardi came to the University of Florida from Johns Hopkins University where he was provost and vice-president for academic affairs since 1985. From 1967 until 1987 he pursued an academic career at Indiana University at the Southeast campus for a year and then in the history department at the Bloomington campus where he became a professor in 1977. Lombardi held various administrative posts at Indiana University including director of Latin American Studies, dean of International Programs, and chair of Arts and Sciences. He also served as a member of the board for Indiana University on the Mexico-United States Consortium for International Activities. MUCIA was the director of Foreign Area Fellowship Program cooperative project in Venezuela. Lombardi also taught at the Universidad Central de Venezuela.

Throughout his [illegible] international education involved him in community and task forces related

FLORIDA'S ATHLETIC PROGRAM

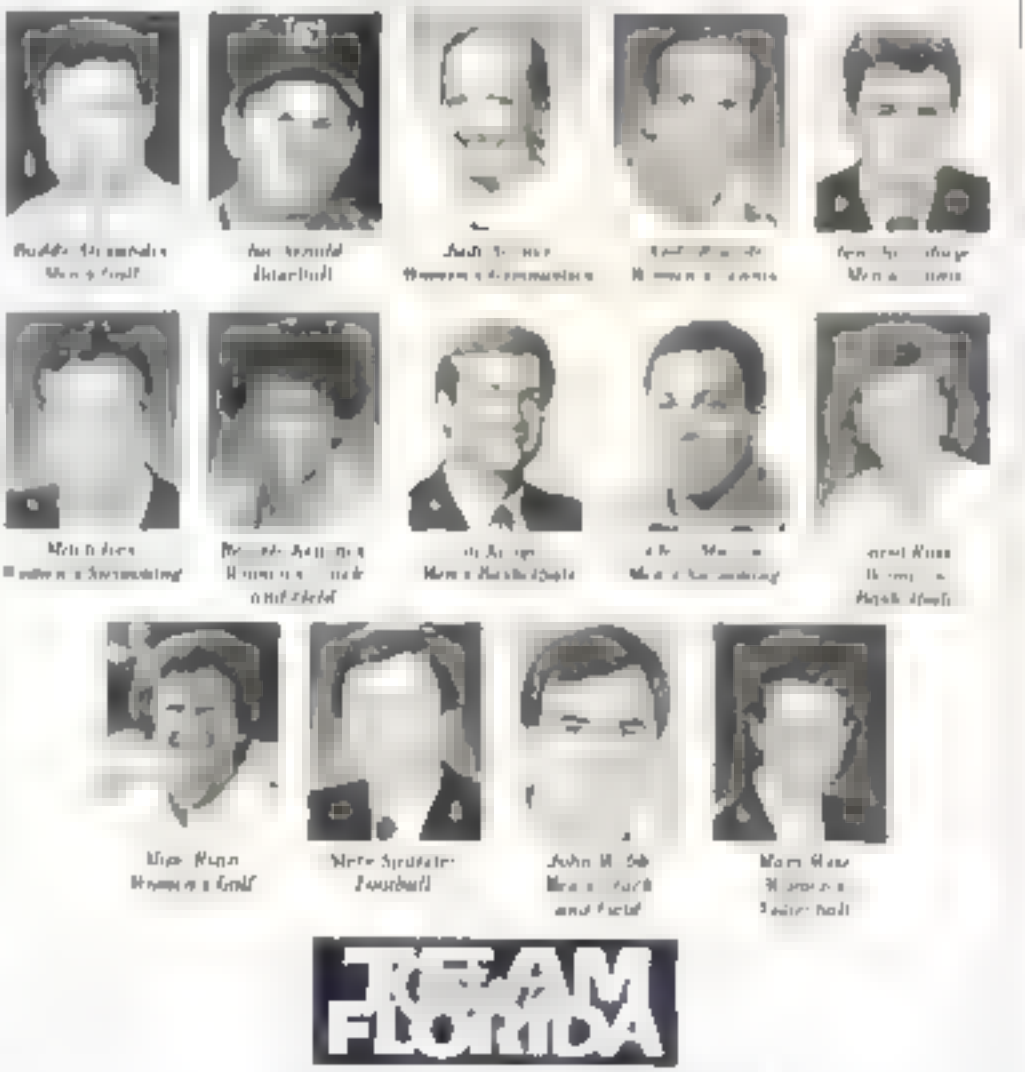

The University of Florida, a charter member of the prestigious Southeastern Conference, has developed a reputation for across-the-board excellence and success in its overall athletic program. The University of Florida was one of just two schools in the nation to have both its men's athletic program and its women's program ranked among the nation's six best for the 1990-91 academic year in a national survey by USA Today. When final national research is completed by USA Today on the 1991-92 season, it is expected Florida will be ranked among the ten most successful overall athletic programs for the ninth consecutive year. Three national team titles, an unprecedented eight SEC championships and an unprecedented sweep of both the men's and women's SEC All-Sport trophies during the 1991-92 academic year further stamped Florida as one of the nation's premier all around programs.

THIS IS FLORIDA FOOTBALL

Built for the Sun

"We encourage young student-athletes to join us at the University of Florida where we take great pride in the academic and athletic success of our students. Student-athletes at the University of Florida enjoy the benefits of superb facilities, but more importantly, they join programs headed by exceptional coaches. Head football coach Steve Spurrier like all of us at Florida, has committed himself to develop a first-class football program that reflects the quality and pride of players, and that inspires the respect, admiration, and pride of faculty, students, alumni and friends of the university."

– DR. JOHN LOMBARDI President

"It is the goal of this program to become the nation s premier program. Our genuine commitment to excellence in academics, athletics, facilities, health care, student life, academic support and fan support is the foundation for this goal. This is an outstanding institution that has everything you as a student-athlete could possibly want or need to further your academic and athletic goals. We are second to no one in terms of quality faculty and coaches whose commitment to excellence will match yours. The "Florida Experience" will be one you never forget and will set the standard for the remainder of your life."

JEREMY FOLEY Director of Athletics

"Gator football is a positive experience for our players, fun to play in a family atmosphere. The excitement of playing at sold-out Florida Field in front of 84,000 fans...having your games on national TV over 75 percent of the time... competing at the highest level in the nation's best league, the SEC. That is Florida football. When you combine it with a degree from the University of Florida, the highest-ranked state university in the south, you achieve the ultimate college experience."

"I was fortunate to be recruited on a national basis and I can honestly say that Florida's facilities are second to none. Everything, and I mean everything, is first-class. What makes it all the better is the fact that you have everything here: the dining room, dorm room, training facilities, workout room, and locker room. The convenience factor combined with the quality of everything makes the facilities exceptional."

[illegible] 1997 NFL Second-Round Draft Selection

"The quality and convenience of the facilities is one of the reasons why I come to UF. There aren't too many schools that can compare to Florida in this regard. You always had a sense that people were taking care of the exceptional facilities and looking for ways to make them even better. I really don't think that there is another school that can top Florida."

[illegible] 1997 NFL First-Round Draft Selection

State-of-the-art training, medical and physical development facilities abound throughout the 23,500 square foot Ben Hill Griffin Training Center.

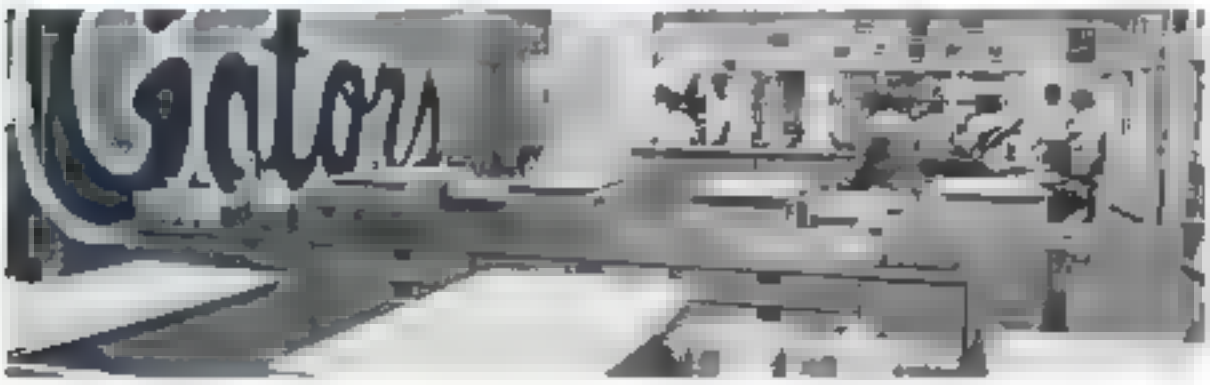

"The quality of the facilities are superb. Just as impressive was the convenience of everything. You fully realize that everything was built and situated with the student-athlete in mind."

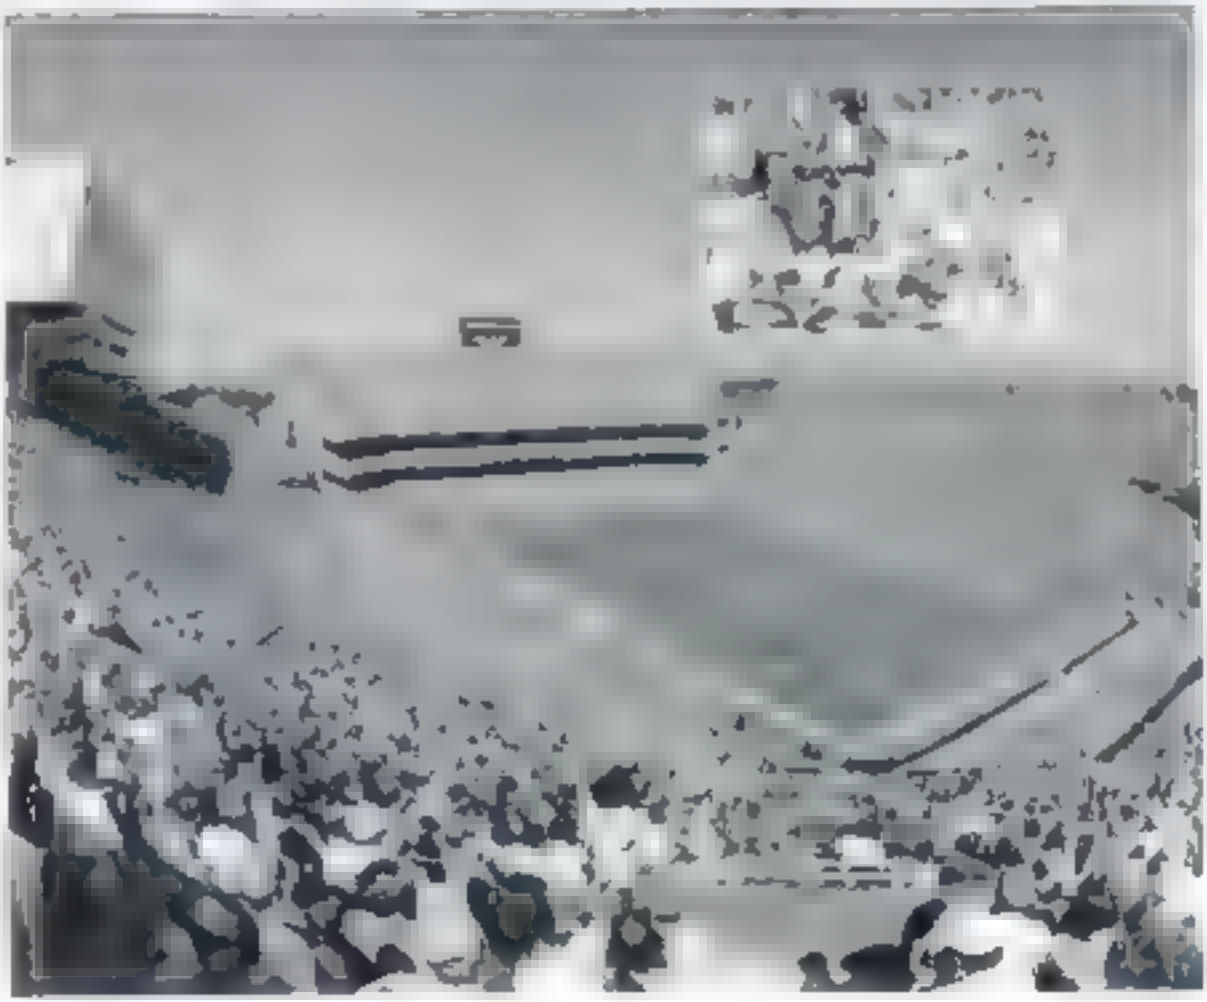

"All of the facilities are first-class. I really appreciated the fact that everything was so centrally located. I didn't have to walk far to get anywhere. Everyone appreciated the fact that the convenience factor for the athlete was kept in mind when all the new facilities were built."

THE SOUTHEASTERN CONFERENCE

SUCCESS, ACHIEVEMENT, COMPETITIVENESS, INTENSITY, SUPPORT, ATTENTION, AND GLITTERING TRADITION MAKE IT AMERICA'S PREMIER CONFERENCE

During the 1990's no league produced better individual records or more All-America players than the SEC. Seventeen players from SEC schools were consensus All-Americans and one of every 10 players in the top 20 in career offense. Figures from the NFL. In addition, the league was the only conference to have at least one team in the Final Top 10 each year during the decade of the 1990's.

★

"Every game you have with an SEC team is not a normal game. It is a war. That's what makes playing in this conference so much fun and makes the experience of playing in this league so special."

"The SEC is the most competitive conference in the nation. The intensity helps bring out the best in everyone. Playing in this league is also excellent preparation for playing in the NFL. It was good to play at Florida and play against tough teams week-in and week-out, just as you will in the pros."

"It's simply the most competitive conference in the nation. If you want to play against the best players and the best teams week-after-week in a highly intense and emotional environment, then the SEC is the place to be."

NFL FIRST ROUND DRAFT SELECTIONS BY CONFERENCE (1983-92)

★

In 1992 the SEC will become the first conference in the nation to host an annual championship game, an event that will draw tremendous national interest. The championship game, which will be scheduled each year on the first Saturday in December, will further elevate the already high national profile of the SEC.

TRADITION AND HERITAGE

SOME OF COLLEGE FOOTBALL'S ALL-TIME GREAT PLAYERS COMBINE WITH OTHER IMPRESSIVE INDIVIDUAL AND TEAM ACHIEVEMENTS TO GIVE THE GATOR PROGRAM A PROUD PAST

The University of Florida is a charter member of the exclusive National Heisman Trophy Club.

★

"One of the primary reasons why I, and so many others, came to Florida is because of the tradition. When you see the list of players that have played here it truly becomes an honor to play on the same field as they have. Coach Spurrier is one of those great players who is now adding to Florida's tradition with his sparkling achievements as a coach. What's really exciting is the fact that everybody believes the best is yet to come."

A rich part of Florida's football history and tradition is its unmatched NFL first-round draft success in recent years. From 1983-91 Florida had 19 total players selected in the opening round of the draft, the most for any school in the nation in that nine-year period of time. With at least one player chosen in the opening round of the draft each year from 1983-91, Florida became the first school in the nation to have a player selected in the first round of the NFL draft for nine consecutive years since the common draft was started in 1936.

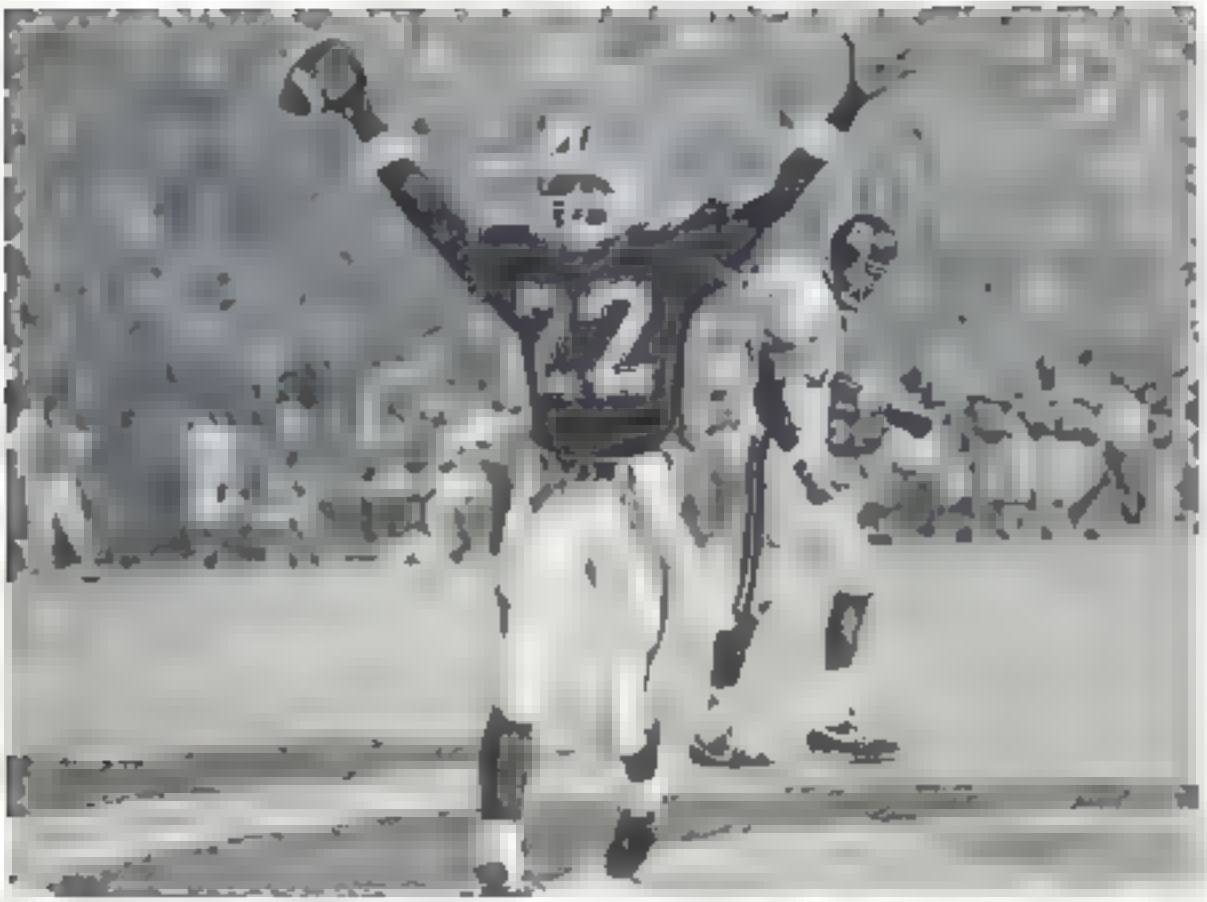

SUCCESS & ACHIEVEMENT

FLORIDA HAS RANKED AMONG THE NATION'S BEST

Florida has ranked in the Associated Press Top Twenty poll at some point during the season in 36 of the last 41 years, including a Final Display of national ranking in 1991. Four times in the past eight seasons Florida has posted the top league record in Southeastern Conference play.

Florida has ranked in the AP Top Fifteen Poll in eight of the last ten years. The Gators, 1-3 in 1997 with a final seventh place ranking in the AP Poll, are one of just seven teams in the nation to rank in the top 15 in the final AP Poll in each of the last two seasons.

★ In 36 of the last 41 seasons of play the Gators have been ranked in the Associated Press Top Twenty poll at some point during the season.

★ Florida was named the National Champion by The Sporting News and the New York Times after a 9[illegible] season in which the Gators posted a 9-1 [illegible] record.

INCREDIBLE MEDIA ATTENTION

EVERY ASPECT OF MODERN MASS MEDIA COMMUNICATIONS AND TECHNOLOGY IS PRESENT IN SUCH A LARGE MANNER THAT THE FLORIDA SQUAD AND GATOR PLAYERS ARE ASSURED OF ALWAYS BEING IN THE NATIONAL LIMELIGHT

★

"The media attention at Florida is more than you can imagine. Media representatives come from all over to cover the program daily. There never is any question in your mind that team and individual performances won't receive the maximum amount of attention."

Depending on the opponent, between 400-525 media credentials are issued for each home game at Florida Field.

"The publicity machine at Florida is incredible with all the media coverage and attention. I received a lot of recognition at Florida due to that extensive coverage."

"The number of TV and radio stations, newspapers and magazines that cover the Gators' every move is simply amazing. Their presence gives you the feeling that you are always in the national spotlight and in most cases you are."

RECOGNITION

A HIGH NATIONAL MEDIA PROFILE COMBINED WITH THE PRESTIGE OF THE SOUTHEASTERN CONFERENCE PLACE GATOR PLAYERS IN PRIME POSITION FOR NATIONAL RECOGNITION AND AWARDS

The combination of tremendous media attention on a daily basis, the large number of national television exposures and the national respect for the quality of play in the South[illegible] provide [illegible] University of Florida players in an excellent position to gather national recognition. Honors and awards [illegible]

Those factors combine to place Gator players in the national limelight on a consistent basis.

Consider the following:

★ Since [illegible] have [illegible] All-America first-team honors. [illegible] have been [illegible] in 85, [illegible] in 87 and [illegible] in 89.

Shane Matthews, "SEC Player of the Year" in 1990 and 1991 as a sophomore and junior, respectively, finished fifth in the Heisman Trophy balloting as a junior in 1991. Florida players have won the "SEC Player of the Year" award in each of the last three seasons and four times in the last eight years – the most for any conference school over that period of time.

★ [illegible] Florida player has received the "SEC Player of the Year" award in each of the last three seasons and four of the past eight years. Since 1984 Florida has had more "SEC Player of the Year" awards [illegible] than any school in the conference.

★ [illegible] was the first player taken in the first round of the NFL Draft each year by only school in the nation to accomplish that distinction over that nine-year period, in fact, UF is the only school to ever achieve that distinction since the NFL began its draft in 1936.

★ From 1985-93, Florida had [illegible] players selected in the first round of the NFL Draft, the most of any school in the nation over that nine-year time span.

★ Wilber Marshall was selected the National Defensive Player of the Year in 1985.

★ QB Wayne Peace (1983), QB Kerwin Bell (1986 and 1987), RB Emmitt Smith ('88, '89 & '90) and Shane Matthews (1991) have all received Heisman Trophy consideration [illegible] in the voting in [illegible].

★ Every year since the "Thorpe Defensive Back of the Year" award was established in 1986, a Florida player has been given high consideration: Jarvis Williams in 1987, Louis Oliver in 1988, Richard Fain in 1989 and '90 and Will White in 1990 and '91.

★ Defensive End Huey Richardson was one of twelve announced finalists for the Lombardi Award in 1991.

★ Offensive tackle David Williams was considered a top candidate for the Outland Trophy in 1985.

★ Tim Paulk was one of ten semi-finalists for the Butkus Linebacker of the Year Award in 1991.

In 1963 Wilber Marshall, who went on to become a first round selection in the 1964 NFL Draft by the Chicago Bears, was named the "National Collegiate Defensive Player of the Year."

★

"There is something about Florida that generates an incredible amount of attention and recognition as evidenced by the fact that eleven players earned All-America honors in 1991. Think about that. One-half of Florida's starters last year earned All-America honors. It is awesome, simply out of this world. As a team and individual, having Florida football as a part of your life means you will receive incredible recognition for what you and the team accomplish. The unmatched media attention Gator players receive plays a huge role in this recognition process."

Brad Culpepper, a 1991 first-team All-America at defensive tackle, was also named the Toyota ESPN National Student Leader of the Year and the recipient of the Draddy Trophy which is presented annually by the National Football Foundation and College Hall of Fame to the nation's premier scholar-athlete.

Tim Paulk was one of ten semifinalists in 1991 for the Butkus Linebacker of the Year Award. Paulk was one of eleven Gator players who earned first-team All-SEC honors as well as some type of All-America recognition for their play during the 1991 season. An eye-catching 62 Gator players have earned All-America recognition since 1962 alone.

GAMEDAY

THE ATMOSPHERE AT FLORIDA FIELD ON GAMEDAY RANKS WITH THE MOST VIBRANT AND ELECTRIFYING IN ALL OF COLLEGE FOOTBALL

"I'll always have so many fond memories of my years at Florida. Playing at Florida Field, however, will always remain something very special for me and all Gator players. Players from other teams always commented that playing here was the toughest place to visit, and that's because of the Gator fans. They are always there no matter what. At other stadiums the intensity of the fans was off and on, loud one moment and then at other times you didn't really hear them. That's never the case at Florida Field. The fans are always supportive. They really are special and I'll never forget the feeling of running out of the tunnel at Florida Field. It gives me goose-bumps just thinking about it. I really had the time of my life out there."

[illegible]

"The feeling of playing at Florida Field is really hard to put into words. It's just an incredible sensation. When you step onto Florida Field, you are ready to play the best game of your life because of the energy you receive from the crowd. The players and fans here really do have a special bond."

[illegible]

In 1987 the National Cheerleaders Assoc. of America selected the Gator faithful as the most participative and supportive home crowd in collegiate athletics in the first year of national competition for that award. Since 1984 the Gators have posted a sparkling 55-32 record at Florida Field, a mark that the fans have played a large part in helping to achieve. UF averaged over 84,400 fans per home game in 1991, a figure that ranked as the fifth best in the nation.

"Far too often, the balance between athletics and academics is overlooked in "Big Time" college athletics. I am proud to say this never occurred with me and I am confident that the UAA (University Athletic Association) will continue to encourage both athletic and academic excellence."

"The Office of Student Life is right by your side day-in and day-out to help you as you go through college and prepare for the future. The OSL staff is made up of caring, dedicated professionals. They truly care about you and your well-being. From the transition from high school to college to any assistance you might need regarding academic matters and your career, OSL is there. It was very reassuring to have professionally trained, caring people concerned about you and your well-being at all times."

– RILEY RICHARDSON

"The health care staff at Florida is truly made up of people that are all tremendously dedicated professionals. They are really concerned about you and want what is best for you at all times. You never have a doubt that you are getting the very best possible in terms of equipment, medical attention and treatment, physical development, and general preventive care. They will do everything possible to prevent an injury and if one happens, you never doubt that you are being taken care of by highly trained professionals in the very best facilities with the very best equipment. You always feel as if you are a member of their family. Just like your parents, they want and give you the best."

"Everyone here really cares about all of us. Their sincere caring attitude is one of the things that makes the University of Florida such a terrific place."

– SHANE MATTHEWS
1990 and 1991 SEC Player of the Year

"All parents want the best for their children and we feel that the University of Florida is just that! Two memorable years of great football and the promise of more to come, coaches and other support personnel who care about student-athletes and their educational goals and strong leadership from President Lombardi makes the University of Florida the best choice."

– MARGARET AND DOW GRABOSKI
(son Michael is a sophomore lineman)

"What great thrills we have enjoyed since Chris became a Gator. The great wins on the field, the fun of the away-game trips, getting to know other players' parents and families and of course, the championships. For years we have admired the programs at the University of Florida – from a distance. Now that Chris is a participant the excitement is continuous and accelerating. From the beginning we have been impressed with the coaches' friendliness and quiet confidence. They provide no far out predictions or promises, only a winning effort. Every member of the athletic department staff we have had reason to contact, we have received friendly cooperation and assistance. The academic guidance and support Chris is receiving is providing its own rewards and is greatly appreciated."

– ED AND JUDY BILKIE
(son Chris is a sophomore fullback)

"The support staffs at the University of Florida are simply superb. As players we never found ourselves getting anything in that regard that wasn't the best and first-class in every sense of the word. Getting adequate care and concern was never a worry."

– CAL DIXON
1991 All-America Center

"Over the years at UF, I have seen many wonderful people of all ages and races. As for what I've learned, I've learned quite a bit. I have learned that it doesn't matter what race you belong to or your age, but rather the amount of hard work a person is willing to put into a project. I love my teammates and I thank God for the time I have spent at this university. It has taught me never to stop fighting and reaching for the best in myself and the people around me."

– DEFENSIVE TACKLE TONY McCOY
1991 Team MVP

"I'm enjoying my playing days at Florida. I have grown in so many ways over the past few years, but most importantly I have been taught skills in teamwork, personal responsibility and developing solid work ethics. If you only become a better player at Florida then you are cheating yourself because the University of Florida will make you a more well-rounded individual if you take advantage of all that it offers, and it does indeed have a great deal to offer."
